**THANK YOU**  
**COMMUNITY PARTNERS**

United Way's mission is simple: Mobilizing the caring power of the community. Every day—through blue skies and grey—we work to improve lives, inspire donors, and unite communities. In times of disaster, our role becomes even more critical. We connect people in need with those who can help, bringing together supporters and partners to lead the charge in rebuilding lives and neighborhoods. From securing essential locations to rallying resources and volunteers, we ensure swift and effective action. While our efforts may not always be visible, they are at the heart of recovery and hope. **Together, we're making a difference—one act of care at a time.**
